We will accept orders 5 of a variety at 10 rate; 25 of a variety at 100 rate; 250 of a variety at 1000 rate. Please use printed stationery or enclose business card when ordering. No orders accepted for less than \$1.00. Prices subject to change without notice.

PAYMENT—Payment shall be defined as payment by cash or current check. Invoices covering stock shipped in late Fall or Winter months for Spring use may be dated not later than April 1st.

TERMS—The usual terms are offered to those of established credit or whose responsibility is known to us. Cash, security or satisfactory references required from unknown parties. All invoices are payable 2%—10 days, 1%—30 days, or 60 days net.

INTEREST—Interest at the rate of 6% per annum shall be charged on accounts from maturity.

CONSIGNMENT—No stock will be sold directly or indirectly on consignment.

SHIPPING—Customers are required to give definite instructions in regard to manner of shipping that they desire. We ship by express and freight over the Western Maryland Railway which connects with the Pennsylvania and B. & O. Railroads and steamship lines in Baltimore. The White Transportation Co. and the Tidewater Bus Line also give motor truck service direct from the nursery.

AUTO TRUCK DELIVERY—We make deliveries by truck within 100 miles of our nursery; our charges for this service are very moderate. Delivery by truck is very satisfactory and eliminates packing charges and insures quick delivery after plants are dug.

INSPECTION—A Certificate of Inspection accompanies each shipment.

GUARANTY—We give no guaranty, expressed or implied, as to description, quality, productiveness or any other matter of any nursery stock or bulbs we sell, and we will not be in any way responsible for the crop. All agreements and contracts are made subject to crop losses through unavoidable causes.

CLAIMS—Claims for any cause must be made promptly. Any stock that is not exactly as represented must be reported within five days after receipt of the goods.

SMALL QUANTITIES—We cannot undertake to supply long and assorted lists of stock calling for only small quantities of each kind for less than 20% additional to the prices quoted herein, as this list is issued exclusively for the Wholesale Trade and is not handled in connection with our Retail Department.

SPECIAL SELECTION—Additional charge is made when customer tags or selects extra specimen plant material.

LOCATION—We are located 28 miles Northwest of Baltimore, Md., and 22 miles south of Gettysburg, Pa. We invite you to visit our nursery.

Respectfully yours,
